Our goal is to encourage and pray for you often as you go through your daily routine in college. Please share prayer requests with your adopter as you feel comfortable. No request is too small. Our prayer is that through this ministry you have the knowledge that we love you, and want to encourage you in your studies as well as your spiritual life to help you stay strong for Christ's kingdom. We want you to know that several are praying for you in general but one is praying for you specifically. If at any time you want to discontinue the program or if anything makes you uncomfortable, please let us know immediately.
